

What does your community need?

DesignConnect

feasibility research

facilitating grant applications

master planning

architecture

landscape architecture

civil engineering

environmental impact studies

ecological restoration research

economic development

community design

Cornell University students in design, real estate and engineering are looking for projects that could use volunteers to strengthen New York State communities. If you have such a project please email us at:

DesignConnectCornell@gmail.com

to learn more about how your project could be the focus of interdisciplinary volunteer student teams. To see our mission statement and project qualifications, please go to http://www.rso.cornell.edu/d_and_p/design_connect/design_connect.php
